How To Read The Bible

(Try Using SOAP!)

With your Bible (a study Bible may be helpful) and a journal, find a quiet spot and spend a few moments ‘connecting’ with the Lord – reminding yourself that He is with you and that you are with Him.

S for Scripture - Ask the Lord to help you hear Him speak, then read the passage. Highlight, underline or mark the words that stand out.

O for Observation – What stands out as interesting, challenging or relevant to you? What questions do you have? What might some possible answers be? Summarize the main lessons, commands or truths in your own words. Write it out.

A for Application - Listen for what the Lord is saying to your heart. How does it connect to your life? Be specific! Is He teaching you something? Are you feeling convicted? Is there something that He is prompting you to do? Write it all out. Some passages will be easier to apply than others.

P for Prayer – Write out your response to what the Lord is saying to you in the form of a prayer. You may praise Him, confess to Him, thank Him, or ask Him to help you understand, believe or obey what He has taught you. What commitment are you being led to make?

If this seems a little overwhelming, take it slow and keep it simple. No matter how you decide to do your devotions, the important thing is to show up for your daily appointment, because the Lord is always waiting for you!

We fail in our duty to study God's Word not so much because it is difficult to understand, not so much because it is dull and boring, but because it is work. Our problem is not a lack of intelligence or a lack of passion. Our problem is that we are lazy. (R. C. Sproul)

Most people are bothered by passages of Scripture they do not understand; the passages that bother me are those I do understand. (Mark Twain)

We may seek God by our intellect, but we can only find Him with our heart. (Cotvos)
